Re: Eagle Chorus 2007 – Christmas Concerts

Dear Friends:

I trust everyone is taking good rest and enjoying a great summer season.

As I reflect upon these past three years of Eagle Chorus, I could not stop thinking of the many blessings we all received. It was an event that brought people together under the shelter of God's Love and Grace.

I send my heartfelt thanks to all of you who boldly supported this mission – for choosing to give positive influence and great inspiration. I extend my thanks to the committee of SJC & CGC for their undivided support to this mission which has now become the major event in our Calendar.

**UNITY** - is what we continue to strive as we take every opportunity to build the vision in Christ. This year - as never before - we are launching a **NEW PHASE** that would allow us to grow further and make that difference in our community.

Registrations will be open to September 30th. Please encourage everyone to join by the first rehearsal. This is a great opportunity to get connected with others and celebrate the friendships God blessed us with. And above all to be a participant in celebrating the good news of God's first coming to the earth - Christmas! – And be a participant in anticipating His Second Coming!

“For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do” Ephesians 2:10

Then we who are alive *and* remain shall be caught up together with them in the clouds to meet the Lord in the air. And thus we shall always be with the Lord”.
